TOWN WARRANT

STATE OF NEW HAMPSHIRE

(L.S.)

To the Inhabitants of the Town of Goffstown, in the County of Hillsborough, and in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town House in said Town on Tuesday the tenth day of March next, at ten o'clock in the forenoon, to act upon the following subjects:

First—To choose all necessary officers and agents for the ensuing year, including a member of the Board of Selectmen for three years; also to bring in your votes for delegates to the National Conventions to be held the coming summer.

Second—To see how much money the Town will vote to raise and appropriate for the Goffstown Public Library.

Third—To see if the Town will vote to raise and appropriate the sum of five hundred ($500.00) dollars for improvements in our cemeteries.

Fourth—To see if the Town will vote to accept State aid for the construction of Class II road known as the Shirley Hill Road and raise and appropriate or set aside for said purpose the sum of twenty-six hundred forty-three and 75/100 ($2,643.75) dollars, the State to contribute nineteen hundred and eighty-two and 25/100 ($1,982.25) dollars, or will vote to accept State aid for construction of

Class V roads and appropriate the sum of nine hundred thirty-eight and 14/100 ($938.14) dollars, the State to contribute three thousand seven hundred fifty-two and 57/100 ($3,752.57) dollars.

Fifth—To see what sum of money the Town will vote to raise and appropriate for the maintenance and improvements at Barnard Playground.

Sixth—To see if the Town will vote to authorize its Selectmen to borrow from time to time as needed certain sums of money in anticipation of taxes not to exceed in total at any one time the sum of giving the Selectmen the right to renew said loans made in anticipation of taxes as may be found necessary.

Seventh—To see if the Town will vote to authorize its Selectmen to administer or dispose of any real estate acquired by the Town through Tax Collector's deeds.

Eighth—To see if the Town will vote to allow its Selectmen to renew the Bridge note, so-called, held by the Hillsborough County Savings Bank, upon which thirteen thousand ($13,000.00) dollars was due January 31, 1936, at such times as the bank may require.

Ninth—To see if the Town will vote to raise and appropriate the sum of one hundred ($100.00) dollars for band concerts the coming summer.

Tenth—To see if the Town will vote to raise and appropriate a sum of money to which the State may possibly add twenty-five per cent and perhaps an additional contribution from the Government may be available for the control of the White Pine Blister Rust.

Eleventh—To see if the Town will vote to erect a memorial to the World War Veterans and raise and appropriate money for the same.

Twelfth—To see if the Town will vote to install and maintain a hydrant on the Mast Road at the end of the water main near the property owned by Fred N. Lynch, and to raise and appropriate money for the same.

Thirteenth—To see if the Town will vote to raise and appropriate the sum of three hundred fifty ($350.00) dollars to buy a piece of land of the L. T. Barnard Estate to be used as a dump.

Fourteenth—To see if the Town will vote to lay out and gravel Higgins street, so-called, as shown on plan of Provencher Plat on file at the Hillsborough County Registry of Deeds, and raise and appropriate money for the same.

Fifteenth—To see if the Town will vote to lay out and repair Joffre street as shown on plans of Libby Plat on file in the Hillsborough County Registry of Deeds, and raise and appropriate money for the same.

Sixteenth—To see if the Town will vote to gravel and tarvia College Road from Duclos street to the Shirley Hill Road, so-called, and to raise and appropriate money for the same.

Seventeenth—To see if the Town will vote to lay out and repair Libby street from the Mast Road to the residence of Peter Bussier; said street is shown on plan of Libby Plat on file in the Hillsborough County Registry of Deeds; and to raise and appropriate money for the same.

Eighteenth—To see if the Town will vote to lay out and improve Moreau street for a distance of five hundred and fifty feet on the northerly side of the Mast Road, so-called,

and for the distance of one thousand feet on the southerly side. The location of this street is shown on plans of Brooklawn Park and Libby Plat. Both plans are on file in the Hillsborough County Registry of Deeds. Also to see if the Town will vote to raise and appropriate money for the same.

Nineteenth—To see if the Town will vote to lay out and improve Pine Hill Avenue, so-called, from College Road about nine hundred feet westerly, and to raise and appropriate money for the same. Said Avenue is shown on the plan of Metropolitan Land Company called Pine Hill and is on file at the Hillsborough County Registry of Deeds.

Twentieth—To raise and appropriate such sum of money as may be necessary for the support of the poor, for the repairs of highways and bridges, and for Memorial Day and other legitimate Town expenses for the ensuing year.

Twenty-first—To hear the reports of agents, auditors and committees and pass any vote relating thereto.

Twenty-second—To transact any other business that may legally come before said meeting.

Given under our hands and seal, this twenty-fourth day of February, 1936.

GEORGE L. EATON,
LESTER CLARK,
CHARLES E. PHELPS,
Selectmen of Goffstown.

REPORT OF GOFFSTOWN VILLAGE FIRE PRECINCT

Fire Wardens

and

Water Commissioners

ANNUAL REPORT OF THE FIRE DEPARTMENT FOR THE YEAR ENDING FEB. 1, 1936

During the past year we have attended to 44 calls for assistance divided as follows:

Town	*Precinct*
19 Brush fires	6 Grass fires
7 Chimney fires	8 Chimney fires
2 House fires	1 Dump fire
1 Tarvia fire	

Our loss is well under one dollar per capita and we have been extremely fortunate.

As Chief of the Department I wish to thank each and every citizen for their willingness to assist me in trying to make the Department most efficient at the least possible expense, and I assure you that as long as I am connected with the department I shall not request you to vote to purchase anything, until I have carefully thought the matter over and feel positive that such things are essential.

I wish also at this time, to express my appreciation, to my associate Wardens and every member of the fire companies for their loyal support in the past. We have the youngest group of firemen in the State of New Hampshire, average age, 35 years, and a more congenial and lively bunch of firemen you will travel far to find.

However, there is one matter deserving of consideration by all our townspeople. The Fire Department conducts an annual Supper and Ball each Fall, the proceeds are used to purchase mittens, boots, smoke protectors, etc., for fire service. Kindly remember also that the boys gave the Town $500.00 for a new truck in 1931. The people of the Precinct have been loyal in their support of these affairs and have helped make them successful, but I urge all the Townspeople to take hold and assist them. They

do not hestitate to risk life and limb climbing over icy roofs with the temperature 20 degrees below zero to assist you, and relieve your worries, don't you feel that you ought to do what you can to protect them from cold and relieve their danger.

Another matter deserving of your whole-hearted support relates to Fire Protection. At the present time there remains unfinished a water hole, which would protect thousands upon thousands of dollars worth of property in the Village of Grasmere. A similar water hole should be placed in the ravine at Glen Lake, which would care for 30 or 40 camps as well as the Dyke Farm buildings. Another at Wheeler's Pond would care for eight sets of farm buildings.

Fellow citizens, we have five pieces of apparatus for fighting fire, but they would be easily ruined if forced to pump mud and grit, for a few dollars all three of these places could be fixed and fire protection given the taxpayers in that vicinity. If you fail to comply with this request to have these places made suitable, and a fire occurs destroying property, may I ask you to please blame yourself and not the firemen.

I have been approached by the Fire Underwriters relative to a permanent man at the Fire House. This would more than double the present expense of maintaining the department and is absolutely uncalled for. After explaining all matters pertaining to the situation to him, he evidently went away satisfied. Friends, to me your welfare and pocketbook need constant vigil and I am quite serious about the duties of my office, giving hours upon hours of my time free gratis caring for minor details.

As Fire Wardens, we wish to express to Mrs. Carswell and her assistants our heartfelt thanks, for the fine telephone service rendered our Department during the past year.

In closing, kindly remember to watch out for your chimneys, keep them cleaned out and in good repair. Also bear in mind that it is unlawful to burn brush without first obtaining a permit.

Respectfully submitted,

W. A. PAIGE, *Chief,*
W. A. MARTIN, *1st Assist.,*
H. J. RICHARDS, *2nd Assist.,*
R. M. GORDON,
C. B. PATTEE, *Clerk.*

AUDITOR'S CERTIFICATE

This is to certify that I have examined the accounts of William A. Paige, Treasurer of the Goffstown Village Fire Precinct, Carl B. Pattee, Collector, Frank A. Parker, and William E. Blaisdell, Treasurer of the Precinct Water Board, and find them correct with proper vouchers for the same.

GEORGE L. EATON,
Auditor.

February 27, 1936.

BOARD OF HEALTH

Renewed interest has been taken the past year in the benefits that would accrue especially to the poorer families if the town had a district nurse, and this matter should receive considerable attention in the immediate future.

There have been fewer cases of contagious disease than usual, due largely to the watchfulness of teachers, school authorities, physicians and parents.

Parents should report all communicable diseases direct to the Health Officer, not depending on others to attend to it.

Every case of chicken-pox, diphtheria, German measles, influenza, measles, mumps, scarlet fever and whooping cough are required by law to be reported immediately then correct instructions can be given as to quarantines and other regulations of the Federal and State Boards of Health. This may prevent a serious epidemic.

The milk license system is proving not only self-supporting but periodic tests show that there is marked improvement in the quality of milk dispensed.

There has been much interest taken in the improvement of private supplies of drinking water and sewage disposal.

We hope that the large amount of money being expended at the Barnard playground by the Federal government may result in better recreational facilities for the children.

Let every citizen bend their best efforts to make Goffstown a better and more healthful community in which to live.

ROBERT M. GORDON,
Health Officer.

REPORT OF RECREATION COMMISSION FOR CARE OF BARNARD'S PLAYGROUND

The Playground Commission under the chairmanship of Alfred W. Poore met as the occasion demanded it.

Raymond J. Ewart and Lina R. Lamson were reappointed by the Selectmen for three years.

The general up-keep of the playground was allotted as follows: Grandstand, tools, electric lights, and arch, Raymond Ewart; ball field, score board, grass and water, Stanley W. Wright; tennis court and pond, Alfred W. Poore; children's equipment and settees, Ruth B. Luscombe; trees, shrubs and flag, Lina R. Lamson.

A. Willis Poore, Jr., was appointed playground supervisor for five weeks, beginning June 21, 1935. The organized play, a new innovation at the playground brought a large group of children there and the Commission hopes to continue along these lines this summer.

PWA workers are engaged in making the pond into a more suitable bathing place. They also intend to finish the second tennis court which was begun last year.

Numerous activities took place on the playground among them, ball games, Fourth of July celebration, lawn parties and picnics, out-door services and Winter Carnival sports. The public is gradually beginning to realize the possibilities of such a playground center. Your Commission appreciates the co-operation of the citizens of Goffstown and at any time would welcome suggestions for the betterment of the playground.

REPORT OF TRUSTEES OF GOFFSTOWN MEMORIAL LIBRARY

In years past the library has been opened Monday evenings from May to October only but beginning last November this Monday evening opening has been continued. This was in accordance with a recommendation by the local Chamber of Commerce and has resulted in an average circulation during the past three months of 46 volumes on Monday evenings, without apparently affecting the circulation on Wednesdays and Saturdays which during the same period has shown an increase over last year.

A further extension of library service has been carried on by work with schools. Teachers of three rural schools have availed themselves of the privilege and taken collections of books for use of their pupils. Miss Marden made 25 trips to Grasmere during the summer months and distributed an average of 32 volumes each afternoon.

In May permission was given to members of Wesley Wyman Post, American Legion, to place on the library lawn a naval gun. Inasmuch as the library building was formerly the headquarters of Charles Stinson Post, G. A. R., and has on its walls tablets bearing the names of local men who served in the Civil War it seemed fitting that this request of our World War veterans be granted.

The appointment of Miss Marian Goodwin to a position at the Manchester City Library necessitated securing another substitute to take her place, and Miss Emily Whipple was chosen to fill the vacancy. Miss Louise Marden and Miss Annie Harrington continue as librarian and assistant librarian, and Miss Margaret Stark as first substitute.

Again we wish to express our gratitude to the individuals and organizations whose generous gifts to the library have enabled us to do more than we might have otherwise. We are especially grateful to the Shirley Club for 24 volumes of children's books and to the Unity Club for its gift of ten dollars which was used for the purchase of books.

REPORT OF THE TRUSTEES OF CEMETERIES

We are again called upon to make our annual report: The usual standard of maintenance has been fully adhered to with the result that our cemeteries by their neat and well kept appearance are a credit to the town as well as the superintendents in charge.

Contributions to our perpetual care fund continue to increase, seven-hundred and fifty-three dollars having been contributed during the past year. It is expected that during the ensuing year the filling of the ravine at West Lawn may be completed and that some new lots may be laid out.

At Shirley Hill we hope to have the additional land received from the estate of the late Shirley M. Johnson enclosed by a wall for which provision has been made during the coming summer.

Hillside cemtery needs additional lots laid out and we hope that during the ensuing year a driveway may be laid out and improved, thereby making more of the unoccupied land available for lots.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

Pupils—Although we had anticipated increased enrollment in grades seven and eight and in high school for the current year, the numbers that arrived in September were more than we could adequately care for with the former teaching staff and seating arrangements.

The room for grades seven and eight had all the regular seats in use and several additional ones as there were 50 pupils. In the high school an unusually large freshman class brought the enrollment to 135. There were additions to the other classes from familes who had recently come here to live. The fact that so many familes have come is encouraging. To date there have been 141 different pupils. There have been a few who have dropped out. At this date there are 121.

To provide for all, it was necessary to take grades five and six from the New Building and house them in the White Building in the room formerly used for grades five and six. This room, amply large, light, and well ventilated gives them added space. For other reasons this change was advantageous for both these grades, as well as for those who remained in the New Building.

When grades five and six were taken out grade seven was transferred to the room they had vacated. This transfer provided ample room for grades seven and eight in addition to providing more "home-room" space for the over-flow of high school pupils. At present every room in both the New Building and White Building is in use. In the White Building, the former high school room houses manual training groups which meet daily. The other room on the second floor of that building formerly occupied by grades seven and eight is in use

daily for Sewing for grades seven and eight. The three class rooms on the first floor accommodate grades one to six.

Teachers—In addition to the above rearrangements, it was necessary to add to the teaching staff. Manifestly, a freshman group of fifty could not be taken care of as one group. This made two "sections" of freshmen imperative, requiring added teaching hours for which we were not prepared. The division of grades seven and eight necessitated an added teacher. The increase in teaching hours in high school necessitated another part time teacher.

Arrangement in the New Building at present is as follows: Dorothy McLain, a three year Normal graduate, with successful teaching experience is in charge of grade seven, and some work with grade eight. Grade eight is taken care of by Miss Tarr and Mr. Jones. In addition, both teach high school subjects. The grade eight room also provides home-room accommodations for some high school pupils. In order to take care of extra teaching periods in high school necessitated by the two-section freshmen group, Miss Helen Tufts was engaged for the afternoon session.

At the close of last year there were two vacancies brought about by the leaving of Miss Virginia Lovell (Mrs. Herbert George) and Miss Ruth Dodge. To take up the work principally of Latin and French, Bernice Whitehead, a graduate of The State University, was engaged. For the English work, Mrs. Elizabeth Parker comes for the morning. Mrs. Parker is a graduate of Wellesley College, and has also had work at Columbia and Boston University, with teaching experience in Manchester. Then when an additional part time teacher was needed, Helen Tufts of Manchester, a graduate of The State University, came in for the afternoon session, teaching English in grades seven and eight, and Sociology in high school. Since it was also necessary to secure a new teacher for

Manual Training we secured George Jones of Manchester, a Normal graduate. In addition to Manual Training and other work in grade eight Mr. Jones is qualified for high school subjects and assists with athletics.

In the New Building at present, there are approximately 25 pupils in grade seven and about the same number in eight. In the total high school enrollment there have been 53 freshmen, 33 sophomore, 32 juniors, and 23 seniors. With the present teaching arrangement the usual "gap" between grammar and high school is well-bridged as grade eight pupils are taught by teachers who are doing high school work as well. It is a most advantageous plan.

The Music in high school and in grades one to six is directed by Dorothy Soule. In high school, music is optional, and all of the groups, the girls special group—a larger chorus of girls, the boys special group—and chorus, are all open to those who can qualify and wish to take advantage of the opportunity. By far the greater majority are enrolled. The High School Operetta given last year—and also the one given recently by grades one to six are evidence of the combination of interest and ability.

Clarence Avery continues with the direction of the orchestra.

There have been about sixty different tuition pupils in high school this year and twenty in the grades.

The close of last year brought the termination of the services of Mary Warren as a teacher in the school. A most merited and fitting recognition was given at the high school graduation. Traditionally, children are supposed to entertain a hearty dislike for school. This isn't true, of course, never has been; even though, there may be one occasionally, who is glad when he can quit. It is not possible to think that a single one of them could trace that feeling back and find its source in Miss Warren's room. Her unfailing courtesy, her keen sense of justice, her constant and conscientious devotion, and her recognition of the "world outside" combined to make the years spent in

her room years which will be happy and gratefully remembered. May the future bring many more pleasant years for "Mary Warren".

High School Graduates—June, 1935:

June Akerly	Gladys Stiles
Glendolyn Pollard	Frances Dow
Florence Grant	Verna Mary Bartlett
Ruth Jones	Lucille Tarney
Thelma Hadden	Bernard Kane
Edna Gage	John Nettleton
Marion Miller	Charles Harris
Elsie Moore	Arthur Raymond

Graduates from Grammar School, June, 1935:

Richard Boutelle	Ruth Morgrage
Rose Bunton	Beatrice Mudge

Winifred Grant	Charles Phelps
Fred Hitchfield	Thomas Rhines
Eleanor Kane,	Raymond Wheeler
Everett Kingsley	Louise Whitten
Androniki Kokulis	Victoria Zesis
David Luscombe	Helen Ruggles
Marjorie Merrill	Charles Goulet

Needless to say, the necessity for taking "Time Out" this year has been a source of keen regret. The kindly consideration of the School Board, the many varied and repeated expressions of interest and concern from teachers and pupils, and the countless favors and helps from "friends and neighbors" have given strength and encouragement. No word or clever phrase can adequately express our sense of indebtedness and gratitude. To Mr. Holden, also, who so capably took charge of the work, I extend my appreciation.

Respectfully submitted,
J. BYRON TARNEY,
Superintendent of Schools.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens of Goffstown Town School District:

The present year finds the schools operating in the usual places under the direction of nine teachers.

The enrollment does not shift very much from recent previous years. There has been a small increase at the Bartlett School in the upper grades. Grasmere Grammar room has reached into the forties this year, making a "full house". Shirley Hill, by reason of the large graduating class last June, lacks a few pupils of the previous year enrollment. At present Parker Station is a few under last year. In no case are there any small groups.

At the close of last year Miss Alice Tirrell, Principal of the Bartlett Building resigned. Mr. John Whitehead of Manchester, a Normal graduate was elected to fill that vacancy.

Shortly after the close of school last June Katherine Fitzgerald, who had been teaching for a few years at the Bartlett School as a special teacher of English, died. Miss Fitzgerald had exceptionally fine success in her work there. Her eagerness to accomplish essential things, her originality and unceasing perseverance are seldom matched, and won for her the highest esteem.

To take charge of this work Katharine McLain was elected. Miss McLain had given up her teaching at Grasmere Grammar School two years previous in order to complete work at Keene Normal for the "three year diploma". She secured this last June. A few days after school began Miss McLain desired to be released to accept the seventh grade in the Village School, where she is now teaching. Miss Ella Healy who had done teaching

as a substitute at Bartlett was elected to take up this special work. She has begun in splendid fashion.

The number of High School students from this district registers an increase this year. In the Goffstown High School 60 different pupils have entered. A few of these have moved away, and a few have dropped out. At present there are 51. In Manchester seventeen different pupils have been registered, three in Manchester Central and fourteen in West Side. The total number in all schools has been 77. For seven of these the tuition will be $100 each, for the remainder $80. The charge will be $80 for Goffstown.

The total number of 77 in high schools represents an increase of 21 over last year. The lack of employment has been a potent factor in this increase. The same force tends to hold more pupils longer in the grades in certain cases.

The evening classes for adults continues and has for more than a year. At present Charles Crossett is in charge. The group is made up in the main of those who came in when the group was first organized in November 1934. This is evidence that the work has been found pleasant and profitable.

The kindly consideration of the school board, the many calls, cards, notes, baskets and "presents" from teachers and pupils, have all been most sincerely appreciated and have meant much in the way of encouragement and strength in these weeks of unwelcome "time out". Thanks to all.

Respectfully submitted,

J. BYRON TARNEY,
Superintendent.

REPORT OF THE SCHOOL BOARD

GOFFSTOWN TOWN SCHOOL DISTRICT

In our annual report this year the Board wishes again to acknowledge the faithful work and co-operation of it's Superintendent, teachers and parents. Also the satisfactory work of Mr. Holden, who, you all know, supervised the work during Mr. Tarney's illness.

This year the Supervisory Unions held their annual meeting by invitation at the Weare High School, where Mr. Tarney was reelected Superintendent.

During the year improvements on the used building were made at Shirley Hill and Bartlett schools. At the last school meeting the Committee voted for and appointed by the Moderator Mr. Lovell and Mr. Clark, who met the Board in June and inspected the entire building. It was thought advisable rather than to install a new heating plant to replace the two metal chimneys with brick at a cost of $200, install a stove in the basement school room, and replace the old slate urinals with modern urinals. Several other suggestions were made by both new members for future improvements. The Board expresses it's thanks to both Mr. Lovell and Mr. Clark. At Shirley Hill, during the winter vacation, the building inside was cleaned, painted and the walls whitened.

There will be an increase in our budget this year, due to your action taken a few years ago regarding tuition. By your vote it was agreed to pay for tuition in other than Goffstown High, the amount Goffstown charged, which was $80. During this year Goffstown asked and was paid first half school year one-half of this amount per scholar, which means we had to increase the others from $70 to $80 per year. We hope to be able to absorb this increase this year, but for next year we es-

timate $800 increase. Last year we asked for $5,000 and this year $5,800.

Last year you will remember we had no district debt, but some insurance is due, and the increase in our budget will cover this. These items we mention because it is your business we are runnng, and I do not think they will be mentioned in the Superintendent's report.

Regarding the school attendance: The situation for adjustment in our district was adjusted by the Superintendent, and not reported to the State Department. A parent refused to send his children to school unless we furnished another transporter. He was warned several times, but refused to permit his children to ride. A warrant was issued and the Sheriff visited the parent, and prosecution followed.

In conclusion, we would like to put before you the thought of looking ahead to an addition on the Bartlett School, either for our own High School building or to absorb the increased attendance there, rather than wait to issue bonds or higher money have an article in some future school warrant to appropriate $1,000. each year, until we might have a working capital of $10,000 or $15,-000 at interest.

We would like to hear from some of the voters during the year.

Respectfully submitted,

RAYMOND C. GREER,
Chairman of School Board.
